Dear Alan,

RE: L. RON HUBBARD : AN AUTHORISED BIOGRAPHY

Thank you very much for your November 17 and December 2 letters concerning this matter.

I have thoroughly reviewed proposals 1-4 in your November 17 letter in regard to establishing a fair and equitable means of compensating Mr. Hubbard for his time, effort and contributions to the Biography. I have also reviewed the additional facts given in your December 2 letter in support of the proposals.

In regard to the second proposal, you asked my suggestion on how to assure the safety and security of the archives. PDK would be willing to insure the archives at its expense. If any other type of assurance may be wanted, please let me know.

In regard to proposals 1, 3 and 4, I can confirm that these are acceptable to PDK pending final approval of Mr. Hubbard, his tax and financial advisers and finalisation within a formal contract.

I look forward to the final agreements and an executed contract.

Kind regards,

Yours sincerely,

L. BRENNAN
